WELCOME to Camp Laurelview Chi-Rho!!! The staff has been working hard to prepare for a great week!

We will be taking a few trips to various local parks throughout the week. One trip may include an optional bike ride. In the case your child would like to take the bike ride, the cost of a bike is \$6. (This cost is an additional cost to the recommended money for camp store.) This is one option at that particular park. There will be other activities as well.

If you would like us to hold onto your child's money please let us know at registration.

Laurelview recently has started a webpage will be useful in camp promotion and for registration for future events. Names of campers will NOT be listed on this site.

If you DO NOT want your child to be in any of the pictures on this site please sign your name on the list at the registration table.

Thank you for sharing your child with us for the week. We are looking forward to a great week of camp!!
